GENERAL ANNOUNCEMENT

1954 SUMMER COURSES

ONTARIO DEPARTMENT OF EDUCATION

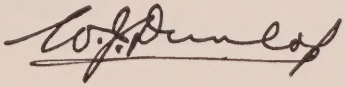
FOREWORD FROM THE MINISTER

Readers of this booklet may be interested, as I have been, to know that the first Summer School was held in the old Toronto Normal School in 1902. The next year there was one at London and another at Ottawa and the following year summer courses were given at Chatham, Cobourg and Kingston. Said the Minister of Education of those years, "The main purposes in view were to give instruction in manual training, household science, nature study and drawing." Agriculture was not offered until 1909. In 1924 the enrolment was 1,790; in 1953 it was 3,072. These figures do not include, of course, the enrolments in the summer sessions of the Ontario Universities.

To all who are interested in education in this Province it is most gratifying to know that so many Ontario teachers are, and have been, ambitious to improve their academic and professional qualifications by taking advantage of the many summer courses offered by the Department of Education since 1902 and by the Universities of Ontario since 1907. There is no longer any compulsion, I am glad to say; each teacher decides for himself or herself whether this summer the choice is to be a course, a trip, or a holiday.

Attendance at summer courses pays excellent dividends in many ways, as those who have attended, as I have, very well know. Forward-looking teachers realize how important it is to be prepared for promotion when it comes.

My cordial good wishes I extend to you all. I have supreme confidence in the teachers of Ontario; they are rendering excellent service.



Minister of Education.

March 10th, 1954.

GENERAL INFORMATION

ADMISSIONS

1. The admission requirements for each course are outlined on the following pages. Teaching certificates mentioned are those issued by the Ontario Department of Education.

   Teachers-in-training at the Provincial Teachers' Colleges and the Ontario College of Education are eligible for admission to any of the courses for which they are otherwise qualified.

2. Application forms for admission to the courses should be filled in and addressed to the Deputy Minister, Department of Education, Parliament Buildings, Toronto.

3. For the satisfactory organization of the courses, applications should reach the Department not later than **May 25.** No assurance can be given that applications received later than this date will be considered. Late applications will not be considered in any courses where it becomes necessary to limit the enrolment. Applicants are advised that Letters of Admission may not be mailed from the Department before June 8.

4. If, as a result of the small number of applicants, the Department should decide not to provide a course, applicants for admission thereto will be duly notified.

TRANSPORTATION

Reduced fares will be granted by the Canadian Passenger Association to teachers and dependent members of their families who accompany them, from stations in Canada. The teacher should purchase a one-way ticket at full fare from his home station to the place of the Summer Course and obtain from the ticket agent a standard convention certificate. Upon presentation of this certificate, signed by the principal of the course, a ticket for the return journey may be purchased at one-half of the regular one-way fare. These reduced rates may be obtained during the three days before the opening of the course and not more than three days after the close of the course, not counting Sundays. Return tickets are valid for 30 days and will permit of stop-overs, but they must be presented within three days of the close of the course.

REGISTRATION

1. All applicants shall present themselves for registration not later than 9.00 a.m. on the first day of the session at the places at which the courses are to be given.

2. In the five-week courses the classes will be organized and the work will begin not later than the morning of the second day.

3. In the short courses the work will begin during the morning of the first day.

ATTENDANCE

Since the courses are brief and the work concentrated, regular attendance is required. There is no provision for admitting teachers who are not prepared to attend regularly for the full period of the course.

Since each Summer course is a complete unit designed to occupy the full attention of those attending, it is not possible for a teacher to be admitted to more than one course during the same period.

FEES

Each teacher admitted to a five-week course, with the exception of ex-service men and women, will be required to pay a fee of $10.00. The fee for a refresher course lasting two weeks is $5.00 and for the one-week Refresher Course in Music it is $2.00. Fees are payable at the opening of the course to the Principal in charge. Each ex-service man or woman who wishes to be exempted from paying fees must, at the time of registration, present documentary evidence of honourable discharge from active service.

DETAILS OF COURSES

Art

ELEMENTARY

To this course may be admitted an applicant who holds a Second Class or more advanced teaching certificate.

To enrol in this course no previous special training in art or crafts is necessary.

The course is offered so that teachers may have a broad survey of art and crafts activities in relation to general education. It will aid prospective specialists in art and crafts work to discover their particular abilities and in the future to select courses leading to the advanced certificates. Rural teachers or those seeking a refresher course will find this course particularly valuable.

Those enrolled will be offered a wide choice of activities and units of study. Individual problems of the students will receive attention.

Students will complete several examples of art and crafts work and the integration of this work with other school activity will be stressed. Discussions of contemporary thought in philosophy, psychology and pedagogy connected with art and crafts will be held for those who are interested.

Outstanding specialists in various fields of design will lecture on their particular fields, while the core work of the course will be guided by teachers who have had outstanding success in teaching in the ordinary classroom situation.

A candidate who, in the opinion of the staff of the summer course, shows an intelligent insight into the use of art and crafts in general education and a reasonable technical skill in the manual work completed in the course will be granted an Interim Elementary Art and Crafts Certificate.

INTERMEDIATE, PART I

To this course may be admitted an applicant who holds the Elementary Art and Crafts Certificate or the Elementary Art Certificate, or who submits evidence of the successful completion of an equivalent course.

Teachers will continue to explore the various media and techniques with which they dealt in the elementary course. Some specialization in both art and crafts will be expected and artists and craftsmen will assist teachers to achieve greater proficiency in their chosen work. Those enrolled in this course are advised to attend a series of lectures dealing either with recent developments related to art teaching or with trends connected with design.

NOTE—Students who complete the work of the course satisfactorily will be given a Letter of Standing for Part I of the Intermediate Art Course.

To this course may be admitted a student who holds a Letter of Standing for Part I of the Intermediate Art Course or who submits evidence of the successful completion of a course the Minister deems equivalent to the Intermediate Art Course Part I.

To this course may be admitted an applicant who holds a Second Class or more advanced teaching certificate.

Those enrolled will have an opportunity to become thoroughly familiar with the latest films available from the Visual Education Branch, and will evaluate recent filmstrips from various producers. Training in the operation of film projectors, tape recorders, filmstrip and opaque projectors will be provided. Ample opportunity will be provided for individual practice in using a wide range of Audio-Visual material through workshop periods.

In addition to the applicants mentioned above, there may be admitted a limited number of teachers of Grade XIII classes who may wish to take one or two subjects for review purposes.
